Hi Nili,

Yes CIFC is a public company traded on NASDAQ under ticker CIFC.

I believe Ehud owns 6,144 shares.

In addition he has 5,988 unvested Restricted Stock Units that will vest in June 2016 and convert into stock on a 1-for-1 basis at that time.

Best,

Julian

Hello Julian,
To end 2015 tax reporting, I was asked by our accountant 2 questions:
Is CIFC a public company traded in someway or a private company If Ehud Barak through Ergo Ltd. has shares or stocks? How many?
thanks a lot,
Nili Priell Barak
